

Celebrate the 5th Anniversary of the
Occupy Movement

Sat. September 17, 2016, 10 AM
Peirce Park (next to Bangor Library),
Harlow Street, Bangor, Maine

Join us for a “We Are the 99%” vigil, general assembly, and speakout to renew the campaigns for economic equity and money out of politics that our country so desperately needs to embrace.

This will be followed by a potluck lunch (11:30) at the Peace and Justice Center, 96 Harlow St. and an “End Violence Together” rally & march at 1 PM at West Market Square.

All are invited to help renew the Occupy Movement in Maine.
