Brooksville Selectmen Support Repeal Petition

At their regular meeting on Thursday December 13, a majority of the Brooksville Selectmen signed a resolution in support of the citizen initiated petition to repeal the school consolidation law. The matter was brought before them by Brooksville resident Ralph Chapman who said, "I believe that it is important for the elected leaders in our community to go on record with their feelings about the school consolidation law." Selectmen John Gray and Clifford ("Kip") Leach signed the resolution authored by the Maine Coalition to Save Schools.
